

**THE THOMAS E. REYNOLDS ENDOWMENT SCHOLARSHIP
AND
THE ENVIRONMENTAL EDUCATION FOUNDATION SCHOLARSHIP**

This application is used for both the Thomas e. Reynolds Endowment scholarship and the Environmental Education Foundation High School Scholarship. Please circle above the scholarship for which you are applying with this application.

The Thomas E. Reynolds Endowment Fund was established in 1988-1989 to provide a four-year scholarship to a graduate of one of the four following high schools: Big Foot, Badger, Williams Bay, and Faith Christian.

The recipient must be committed to a four-year program of study at an accredited university or college. The program must be similar to that provided at the college of Natural Resources, UW-Stevens Point. Candidates must be in the upper 50% of the high school class.

This application must reach the committee by April 1st. Each school may submit up to two applications. The District Administrator or designees will select the two.

Members of the TER Scholarship Committee will interview selected candidates at an arranged date and time in the spring. **NO INTERVIEW WILL BE CONDUCTED FOR EEF ONLY APPLICANTS.**

In addition to all applications specifically for the EEF Scholarships, all TER applicants not chosen will be considered for the EEF Scholarship.

One Environmental Education Foundation Scholarship will be awarded to a student from each of the four area high schools, Badger, Big Foot, Faith Christian, and Williams Bay, who meets the EEF Scholarship requirements. If there are no qualified applicants from a school, more than one EEF Scholarship may be awarded to another high school.

TO THE APPLICANT: The information obtained through the use of this questionnaire will be used to aid in the task of selecting the scholarship recipients. All information will be considered confidential.
